HANK MOOREHOUSE FLEA MARKET AND ACTION AUCTION May 7th, 2016 at the Colon Elementary School in the Magic Capitol of the World Starts at 9am and ends with the Noon auction

<u>Free to attend</u>, you only need to purchase a table if you are selling magic. We have a very special day planned with magicians from <u>at least 4 states</u> who are bringing in plenty of magic to

sell at unbelievable prices. Many of the selling / dealer tables have been purchased already, let's talk about a few of them and give you a small idea of what to expect (wish we could write more but we are running out of room on this flier).

Frank Gayda will coming in from Illinois, **Many Hall** from Ohio, **Mike Powers** from Indiana, **Robert Zoerman** from Grand Rapids, **Rick Allen** from Ohio (if he can fit it in the space one of the items Rick is bringing is

the original McDonald Birch Dragon Screen that was used at the 1964 Get-Together and on his show in the 1970's), and **John Russell** from Grosse Isle will be bringing accessories, DVDs, books, and effects (and not just close up, check out the Utility Illusion Base to the upper left – Lots of Possibilities).

Mickey Blashfield will have the Mongoose on display (yes the Cobra killer) and a bunch of magic including One way decks / custom "tossed out" Bicycle decks, "Vaudevillian" vulcanized fiber prop cases, Magic Artwork (framed & unframed), "Rabbit in Hat" wood display plaques, Dove thru Glass, Elusive Bunny Box, The

Razor Blades act, Books by Kenner, Sankey, Blackstone, etc. **Sam Durocher** will be in the booth next to Mickey Blashfield selling magic and **Gabe Fajuri** (from Potter and Potter

auction) will have collectibles including original vintage posters. **Jim Shannon** has a Modern magic by Prof. Hoffman book with him.

Magic Bob will be there with a variety of magic (over \$7,000 in props) including a Pro Deluxe Sword Thru Neck, Bowling Ball from Briefcase, and 36 <u>NEW</u> Malini Egg Bags (Get this, regular \$25, \$7.50 Flea Market Price, buy 5 and get them for \$5 each).

Rich McGee will be here with his magic and will also be bringing a Sub Trunk for the auction (see pic above). **Gary Segaadi** (known for his wood working) has several items you are going to want to check out including Colorful hand turned wooden magic wands, Houdini's Gift with laser engraved designs, Celtic Knot cabinet with laser engraved designs, Prediction Chest, Remote control Card fountain, Smoke magic V2 with lots of extras, Lighting Bolt Square Circle, etc.

Anthony Gerard will be here (From the Timid Magic Shop – He's been manufacturing magic since 1974 and a regular at the Flea Market). **Mary Kleiber** (That's me!)will be here with some general

magic like a good Zombie (or so my husband says), linking rings, telethought pad, Tenyo 3D flying carpet, etc. I also have a special rising card book from England (it is examinable yet will rise two cards, one horizontal and one vertical) and a few Halloween effects and props (vampire block, tarot cards, see pic to the right). I will also be manning the Abbott booth which will have the specials mentioned on the following page (I will also have proofs of a couple Abbott summer release books coming out that you can get a sneak peek at if you ask).

Abbott's will have plenty to auction (BJ & Greg are putting together auction bags to make the auction go quicker) and sell. 4 Abbott specials are sold at my table, let's check them out!

<u>Special One</u>, check out the <u>NEW</u> Worlds Greatest Magic Closeup Video's 1,2, and 3 - all three for only \$12, that's less than the download cost for one – single videos from this set will sell

for \$5 each. These DVD's usually cost \$19.95 even on EBay, Limited Supply (about 30 of each).

<u>Special Two</u>, for those with magic families Abbott's has brought back the 6 for \$5 magic book sale where you can find something for everyone and still have plenty of money left over.

<u>Special Three</u>, The Ultimate Sphinx DVD sells for \$50, here you can get a <u>NEW</u> Sphinx DVD (which contains copies of all the Sphinx magazines from 1902 – 1952) for only \$10, again limited supply.

<u>Special Four</u>, A slightly irregular book sale. This has been very popular at the Get Together and Abbott's is going to see how it goes over at the Flea Market. These are <u>NEW</u> books that may have a bent page or slightly torn cover and Abbott's is selling these at wholesale or less price, you cannot beat it anywhere! Below is a list of some of these (they are still looking for more so this will change (They are still pricing some Quick Change books, a Colorful Magic book by Ginn, a Strong Magic book by Ortiz, Switch by Lovick, etc). The price in Green is your cost per book, but Abbott's does not have a large quantity on some of these books so it will be first come first served.

Let's do a little "<u>NEW</u>" math. If we add just a few of the deals on <u>NEW</u> magic we have on this flier you could get a <u>new Malini Dove Bag</u> (From Magic Bob, a \$25 value), <u>3 New WGM Close-up DVD's</u> (From Abbott's, a \$60 value) and get change back from a \$20. If you do this well with new magic, imagine how you will do with the tons of used magic made available to you at the Hank Moorehouse Flea Market and Auction!

Abbott's still has a few table slots still open for those who would like to sell, and for those who want to attend a great FREE event and get more bang for your buck than anywhere, we hope to see you Saturday the 7th (that's the day before Mothers day).
